

## 2016 Performance Objectives

*Preparation of annual performance objectives is required by Section 7.06 of the Intermunicipal Agreement between the City of Syracuse and County of Onondaga, which jointly created the Land Bank.*

### Capacity

- Hire an Assistant Director of Property Management
- Continue to seek public funding for the Land Bank's operations. Some level of public support will always be necessary for the Land Bank to effectively pursue its mission to eliminate vacant and abandoned properties, lessen the burdens they pose to local governments, improve quality of life in neighborhoods afflicted with this challenge in an effort to retain existing residents, attract new ones, and grow the value of the local property tax base.
  - Significant local support has enabled the Land Bank to successfully apply for and be awarded nearly \$5 million in funding from the Office of the NY Attorney General, funding things like renovations and demolitions that wouldn't otherwise be budgeted for at such levels.
  - Public financial support may take the form of direct line-item allocations for the Land Bank in the County and City's annual budgets or the tax-sharing agreement permitted by the Land Bank Act, in which the Land Bank can reach an agreement to split taxes generated by properties returned to taxable status through their efforts for a five-year period after the properties are sold by the Land Bank.
  - Ensure that the County's financial support fully offsets sewer unit charges levied against land bank properties or that the land bank be exempted from these charges.
  - Seek a long-term, predictable revenue stream that will ensure the Land Bank's financial sustainability. This is necessary if the Land Bank is to address the scale of abandoned property throughout Onondaga County.
  - Continue to advocate for state funding for land banks' work.
- Periodically reevaluate the Land Bank's operations to identify opportunities to reduce expenses (reevaluate which services are performed in-house versus by subcontractors, strategies for bulk-bidding certain work, automating recurring administrative tasks, etc).
- Continue to support the New York Land Bank Association's efforts to promote beneficial legislative amendments, to identify additional sources of funding for land banks' work, to provide training, and to promote information-sharing among land banks across the state.

### Planning & Programming

- Expand the Public Safety/Teachers Discount Program to apply to all full-time employees of the Syracuse City School District, City of Syracuse, and County of Onondaga for the purchase of a 1-3 unit home which they will use as their primary residence for a period of five-years subsequent their renovating and occupying the property. Complete at least five sales under this program.

- Continue efforts to consolidate ownership of all abandoned properties under a single-owner to better facilitate planning and to provide a clear, consistent process for buyers interested in purchasing these properties. Property ownership is currently fractured under City, County, still seizable, SURA, etc.
- Work to assemble clusters of properties that can facilitate larger development projects and transformative change in blighted neighborhoods. Identify and pursue at least two more opportunities for site-assembly similar to the Butternut Street project.
- Complete the roll-out of the \$1 Home program on the Near Westside. Sell at least three renovation candidates under this program.
- Enroll at least 10 buyers in the “Mow to Own” side-lot program.
- Over the summer/fall 2016 engage at least one neighborhood group to ‘adopt’ and beautify Land Bank properties in their area.
- Install permanent site improvements to beautify 2-3 vacant lots that are likely to remain vacant for the long-term.
- Work with Habitat for Humanity’s ReStore and others to continue to pursue ways to divert building materials from the landfill and encourage their reuse locally.
- Continue to advocate for more aggressive utilization of tools at the City’s disposal to address tax-current, blighted properties: methods to repair violations and bill property owners, seize abandoned property, and geographically focus code enforcement to complement public investments and the Land Bank’s targeted revitalization efforts.
- Advocate for the County of Onondaga provide capacity building to Towns’ and Villages’ code enforcement officials so that they can more effectively respond to tax-current, blighted properties.

### **Production**

- Sell at least 150 properties and gross \$1.5 million in sales proceeds.
- Endeavor to attach minimum renovation work specs to most property listings. This should ensure that the quality of work reflects the land bank’s mission and purpose and better enable staff and board of directors to compare competing offers.
- Complete all deliverables under the Land Bank’s contract with the NY Attorney General by 12/31/16 – 68 renovations and 43 demolitions between Round 1 and 2 of AG funding. Round 2 includes 18 renovations, 23 demolitions, and 20 side lot incentive sales.
- Demolish at least 60 blighted structures.
