## Residential Renovation Energy Improvement Standards

When selling properties to be renovated for operation as residential rentals the Land Bank requires purchasers include the following work in their renovation plans. These measures are meant to retrofit existing residences for increased energy efficiency, reducing monthly utility costs and enhancing housing affordability.

- All work will comply with Chapter 11 (Energy Efficiency) of the [New York State Residential Building and Fire Prevention Code](#).
- Air sealing must be completed and be continuous at the band joists, sill plate, and top plate of a house.
- When replacing windows air sealing measures must comply with code. It is the responsibility of the contractor to schedule an inspection by the Land Bank after the measure has been taken and before it has been concealed from view.
- All work addressing exterior walls must include insulating methods that comply with code. It is the responsibility of the contractor to schedule an inspection by the Land Bank after the measure has been taken and before it has been concealed from view.
- All new appliances must meet current Energy Star standards.

The above measures and the entire scope of renovations proposed in your purchase application will be inspected by the Land Bank's Property Renovation and Maintenance Manager and approved prior to discharge of the "enforcement mortgage."

## **INFORMATION FOR POTENTIAL BUYERS OF GREATER SYRACUSE LAND BANK PROPERTIES**

The Greater Syracuse Property Development Corporation, also known as the Greater Syracuse Land Bank (the "Land Bank"), acquires properties that are tax delinquent, vacant, abandoned, or underutilized and sells them to qualified buyers with the goal of returning the properties to productive use.

This handout is intended to provide a brief explanation of certain terms of the Land Bank's Contract to Purchase. It does not cover all of the terms and conditions contained in the Contract to Purchase. Accordingly, please review the Contract to Purchase carefully. Information obtained from this handout should not be relied upon as legal advice. The Land Bank strongly recommends that potential buyers have an attorney assist them with reviewing the Contract to Purchase.

Potential buyers should be aware of the following key points before entering into the Contract to Purchase:

- **Title Documents.** The Land Bank does not provide abstracts of title, tax searches, or land surveys to the buyer. The buyer is responsible for obtaining any abstract of title, tax search, land survey, title insurance or other title item at its sole cost and expense. The preparation of such title documents can take several weeks and, as such, if a buyer decides to obtain such title documents they are encouraged to do so as soon as possible following the Land Bank's acceptance of their purchase offer in order to facilitate a timely closing.
- **Representations and Warranties.** Most of the Land Bank's properties have been acquired following a municipal tax foreclosure proceeding. As such, the Land Bank makes no representations or warranties as to title to the property which is the subject of the Contract to Purchase except that the Land Bank has not done anything to encumber the property. The Land Bank does not promise that it has good and marketable title to the property and, as such, it is incumbent on the buyer to carefully review title to the property.

In addition, the Land Bank makes no representations or warranties as to the condition, quality, or habitability of the property. Land Bank properties are sold "as is," and no Property Condition Disclosure Statement will be provided to the buyer by the Land Bank.

- **Attorney Approval Contingency Clause.** The Contract to Purchase does not contain an attorney approval contingency clause. Accordingly, the Land Bank advises all buyers to consult with an attorney before signing the Contract to Purchase.
- **Inspection Period.** The buyer, at his or her sole cost and expense, is permitted to conduct any inspections, tests, or other desired evaluation of the property. If the results of the buyer's inspections, tests, or other evaluation are unsatisfactory, the buyer has the option of terminating the Contract to Purchase by providing written notice to the Land Bank within 15 days from the date that the Land Bank accepted the signed Contract to Purchase.
