Spring Cleanup Services

Date Issued: March 6, 2019

Due: 5:00 PM Friday, March 15, 2019

Background Information

The Greater Syracuse Land Bank's mission is to acquire and stabilize vacant and abandoned properties in order to facilitate their return to productive use. The Land Bank owns a variety of properties including both vacant lots and properties with structures. Some of these buildings are occupied, although most are vacant. Most of our properties are residential, although the Land Bank does own some commercial properties. The majority of these properties are located in the City of Syracuse, although we do own some other properties throughout Onondaga County.

At this time, the Land Bank owns approximately 1,050 total properties; approximately 460 vacant lots and 580 properties with structures. The successful bidder(s) will be provided with a list of properties assigned to them, indicating which are vacant lots and which contain structures. Properties are illegally dumped on and litter accumulates over the winter, both of which need to be cleaned up as soon as the snow melts.

Scope of Work and Requirements of Bidders

The successful bidder(s) will be awarded a contract for 2019 spring cleanup services. This will include pickup and disposal of trash/debris and cutting back and disposing of overgrowth, small trees, vines, and shrubbery before it leafs out for the season and becomes overgrown. Please bid an hourly rate for labor. Your hourly rate should include costs of labor, equipment, transportation of debris, and all overhead expenses. Any tipping fees can be billed to the Land Bank at cost.

The Land Bank is working on a strategy now to provide a staging area for trash/debris drop-off, but if we are unable to do so the Contractor will need to transport these materials to the dump. We expect our Contractor(s) to separate materials into the following categories: tires, electronics, refrigerators and ACs, paint and chemicals, trash/debris, yard waste.

The successful bidder(s) will be supervised by the Land Bank's staff.

Insurance Requirements

The successful bidder shall be required to provide for itself and maintain at its own cost and expense until the completion of the work the following forms of insurance:

- a. Commercial General Liability ("CGL") coverage with limits of liability not less than One Million Dollars (\$1,000,000.00) per occurrence and not less than Two Million Dollars (\$2,000,000.00) annual aggregate. If CGL coverage contains a General Aggregate Limit, such General Aggregate Limit shall apply separately to each Property. CGL coverage shall be written on ISO occurrence form GC 00 01 (1093) or a substitute form providing equivalent coverage.
- b. Commercial Liability Umbrella coverage with limits of liability not less than Two Million Dollars (\$2,000,000.00).
- c. Comprehensive Automobile Liability coverage with limits of not less than One Million Dollars (\$1,000,000.00) per accident.
- d. Workers' Compensation and Employers' Liability in form and amounts required by law.

The Land Bank shall be named as an additional insured on the policies required by subparagraphs (a) and (b) above. The Contractor shall furnish certificates of insurance to the Land Bank and corresponding policy endorsements setting forth the required coverage hereunder prior to entering any Property or commencing any Work, and such policies shall contain an endorsement (1) requiring the carrier to give at least ten days' prior notice of cancellation to the Land Bank, and (2) waiving subrogation. The Contractor shall provide the Land Bank with copies of these policies and endorsements. All insurance required by this Contract shall be primary and non-contributing to any insurance maintained by the Land Bank. The Contractor's policy may not contain any exclusion for NY Labor Law, injury to employees or injury to subcontractors. Subcontractors are required to have an unmodified Commercial General Liability policy without limitation with respect to Employers Liability and injury to Independent Contractors. The Contractor shall ensure that any subcontractors hired carry insurance with the same limits and provisions provided herein. The Contractor agrees to cause each subcontractor to furnish the Land Bank with copies of certificates of insurance and the corresponding policy endorsements setting forth the required coverage hereunder prior to any such Contractor entering any Property or commencing any Work.

Indemnification by the Contractor

To the fullest extent permitted by applicable law, the Contractor shall indemnify, defend, and hold harmless the Land Bank, and its contractors, officers, directors, servants, agents, representatives, and employees (each, individually, an "Indemnified Party" and, collectively, the "Indemnified Parties"), from and against any and all liabilities, damages, losses, costs, expenses (including, without limitation, any and all reasonable attorneys' fees and disbursements), causes of action, suits, claims, damages, penalties, obligations, demands or judgments of any nature, including, without limitation, for death, personal injury and property damage and claims brought by third parties for personal injury and/or property damage (collectively, "Damages") incurred by any Indemnified Party to the extent caused by (i) any breach of this Contract by the Contractor, its subcontractors, officers, directors, members, servants, agents, representatives, or employees, or (ii) the malfeasance, misfeasance, nonfeasance, negligence, unlawful act or omission, or intentional misconduct of the Contractor, its subcontractors, officers, directors, members, servants, agents, representatives, or employees, arising out of or in connection with this Contract or the Work.
