608 Catherine St. – Vacant Two-Family Home

Date Acquired: 08/29/2019  Listed: 12/04/2020  
Current List Price: $9,900  Days on Market: 32 days  
Original List Price: $9,900  Land Bank’s Minimum Renovation Est: $84,724

608 Catherine St. is a two-family home on the Northside with three bedrooms in each unit, a new roof, new windows, and new siding. The home has significant water damage from the prior roof leak and the entire home will require major renovation. The Land Bank replaced the roof with County grant funds (in order to address a leak that would have eventually made it a demo candidate) and replaced the windows, doors, and siding with funding from the CNY Community Foundation meant to address lead paint hazards. Per the terms of that grant, the buyer will need to pass a lead clearance inspection prior to discharge of the enforcement mortgage. Although the home is being sold with a completed exterior, it will need major renovation.

Dr. Afix Famosa is the sole member of Clutch Consulting, LLC and is a family medicine practitioner who lives in the Syracuse area. He believes the biggest problem his patients face is finding suitable housing. This is why he is hoping to purchase this home to renovate with his contractor and operate as a good quality rental. He currently owns one other rental in the Syracuse area. This will be his first purchase from the Land Bank.

Louis Geswaldo is a public-employee who has purchased 107 Lawrence St. and 203 Douglas St. from the Land Bank. Louis and his father purchase and rehab homes to operate as rentals and do good quality work. He is interested in rehabbing 608 Catherine St. for use as a rental property.

Bilkis Islam wishes to occupy one unit at 608 Catherine St. and rent out the other. She will contract out all of the required work and this would be her first Land Bank purchase. She and her husband are already owner-occupants in the City.

Based on the Land Bank’s disposition policies, staff recommend sale to Bilkis Islam, subject to an enforcement mortgage to be discharged once the proposed renovations are completed, once the house passes a lead clearance inspection, and once they establish the house as their primary residence. It will also be subject to a residency enforcement mortgage requiring it remain owner-occupied for five years.
