GREATER SYRACUSE PROPERTY DEVELOPMENT CORPORATION

CERTIFICATE REGARDING NO CONFLICT OF INTEREST

MEETING DATE: March 28, 2018

The Greater Syracuse Property Development Corporation (the “GSPDC”) has this day considered numerous business items (each a “Transaction”) including, but not limited to, the sale of real or personal property to, undertaking projects with or on behalf of, and entering contracts with, certain individuals and business entities (each a “Stakeholder”).

I, the undersigned director, officer or employee of GSPDC, **DO HEREBY CERTIFY**, as follows:

1. I do not have any interest with regard to any Transaction which would cause the Transaction to be deemed a “related party transaction” (as defined in Section 102[a][24] of the New York Not-For-Profit Corporation Law), and no Relative (as defined in Section 102[a][22] of the New York Not-For-Profit Corporation Law) of mine or entity in which I have an ownership or beneficial interest has any such interest.

A “related party” as defined under Section 102(a)(23) of the New York Not-For-Profit Corporation Law means: (a) any director, officer or key employee of the GSPDC or any affiliate of the GSPDC; (b) any relative of any director, officer or key employee of the GSPDC or any affiliate of the GSPDC; or (c) any entity in which any individual described in clauses (a) and (b) above has a thirty-five percent or greater ownership or beneficial interest or, in the case of a partnership or professional corporation, a direct or indirect ownership interest in excess of five percent.

A “related party transaction” as defined under Section 102(a)(24) of the New York Not-For-Profit Corporation Law means any transaction, agreement or any other arrangement in which a related party has a financial interest and in which the GSPDC or any affiliate of the GSPDC is a participant.

2. Executive Summary
March 28, 2018 Board of Directors Agenda

I. Executive Summary & Financial Statements

We are working on closing out our books for 2017 so draft financial statements for December are not ready yet.

II. New Business

A. Authorize the Sale of Multiple Properties

See attached sales supplement on p. 10 of the packet.

B. Authorize sale of 1800 Lodi to Lou Vinciguerra

This will be our second renovation under the Neighbors for Neighborhoods program. Under this program Enterprise Community Partners will fund 80% of the renovation costs or no more than \$100,000/unit. The buyer has to be a nearby owner occupant and they pay the rest. The Land Bank earns a small developers fee for project management. That fee is typically 15%, but in this case we have lowered the fee to 2.5% since Mr. Vinciguerra will take title and manage the project as the GC and because the reduction is necessary to make the projects financials work. That comes out to \$8,896 on this project and all of our other expenses associated with the project – title insurance, architectural work, asbestos survey, etc. are reimbursable project costs. He will be contractually obligated to renovate the property per the work specs that we have developed with our architect and that will be approved by Enterprise before we are authorized to spend grant funds on this project.

We are seeking the board's authorization to sell 1800 Lodi to Lou Vinciguerra contingent upon the following conditions:

- Enterprise approve our request for \$300,000 in grant funds
- Mr. Vinciguerra secure financing for the remaining \$76,579
- Mr. Vinciguerra will assume responsibility for completing the renovations per the approved scope of work
- Mr. Vinciguerra will assume the 20-year affordability period and agrees to submit income verification for his tenants annually to the Land Bank

C. Authorize sale of Solvay Rd 086.-05-08.0 to the Town of DeWitt for \$600

The Town of DeWitt requested that the Land Bank acquire this property from the County's auction last year. They wish to acquire it for municipal purposes. We are seeking the board's authorization to sell this vacant land to the Town at cost.

D. Sale of 1613 E. Fayette Street for the cost of demo to AKBK Management Group, LLC

1613 is a demolition candidate adjacent to a seizable vacant lot that we are in the process of acquiring. AKBK Management Group, LLC (owned by Brian Baglin) owns 1632 Erie Blvd East (across Lombard St) and wishes to acquire both of these lots for additional parking. This will require a special permit in this zoning district and he is prepared to apply for one once he has acquired the lots. He is willing to cover the full cost of the demolition. We solicited quotes for this demolition and estimate that the total cost including condemnation, water kill, demo, and air monitoring will equal \$15,268.38. We are seeking the board's authorization to sell to this property to AKBK Management Group, LLC noncompetitively for a price equal to the full cost of demolition. As we have done in the past, the contract is drafted so that if there are any cost overruns those become Mr. Baglin's responsibility and he has deposited the full purchase price in escrow with us which we would retain as liquidated damages if he fails to close on the property.

E. Contract with Crisafulli to demolish 1613 E. Fayette Street

We were only able to obtain two quotes from demolition contractors for the demolition of 1613 E Fayette Street with asbestos in place. We are seeking the board's authorization to contract with Crisafulli, the lowest bidder, for the demo of this property.

Scanlon – \$15,850

Crisafulli - \$11,850

F. Authorize the Land Bank to purchase various properties from the City (phase XV)

Please see attached resolution with properties listed as Schedule A. This includes Phase XV foreclosures that we have determined not to be demolition candidates and that do not pose an environmental risk. It also includes several City-owned lots that we have requested since they are adjacent to Land Bank owned lots. This list of 271 properties starts on p. 23 of the packet.

G. Authorize the Land Bank to purchase certain properties from SURA

We are seeking the board's authorization to purchase the following properties from SURA for \$1 each. Each is a vacant lot and either located adjacent to a Land Bank owned property or located in an area where we own a dense concentration of properties.

- 215 Fitch St
- 176 Bishop Ave
- 178 Bishop Ave
- 177-79 E. Bissell St
- 2400-02 Salina St S

H. Debris removal invoices from Ultraclean, Inc.

Discussion regarding disputed charges.

I. Approve 2017 Annual Report

This report must be submitted to the ABO by 3/31/18. The only section that has not yet been completed are the surveys from staff and board members. It starts on p. 29 of this packet.

J. Approve of 2017 Audit

This audit will have been reviewed earlier in the morning by the Audit Committee. It is not yet finalized but should be emailed out by our auditors later today.

CORPORATION ORGANIZATIONAL CHART

REPORTING TO THE CITY OF SYRACUSE AND COUNTY OF ONONDAGA

The GSPDC is a Land Bank jointly created by the City of Syracuse and County of Onondaga by an Intermunicipal Agreement under the New York Land Bank Act. As such it is required to make annual reports to both “foreclosing governmental units” (FGUs) that appoint the GSPDC’s Board of Directors. The GSPDC relies on significant financial support from the two FGUs. In addition, it is a component unit of the City of Syracuse.

MISSION STATEMENT & MEASUREMENT REPORT

To address the problems of vacant, abandoned, or tax delinquent property in the City of Syracuse and the County of Onondaga in a coordinated manner through the acquisition of real property pursuant to New York Not-for-Profit Corporations Law section 1608 and returning that property to productive use in order to strengthen the economy, improve the quality of life, and improve the financial condition of the municipalities, through the use of the powers and tools granted to Land Banks by the Laws of the State of New York.

Initially Adopted: August 14, 2012; Readopted January 16, 2017

See Appendix E for Measurement Report.

CORPORATE PURPOSE

As contained within the GSPDC's Articles of Incorporation:

 - (1) The specific and primary purposes for which this corporation is formed is to operate as a Land Bank pursuant to Article 16 of the Not-for-Profit Corporation Law within Onondaga County and the City of Syracuse for the purpose of lessening the burdens of government, by the distribution of funds for such purposes, and particularly for addressing the problems of the County of Onondaga and the City of Syracuse with regards to vacant and abandoned property within those governmental jurisdictions and to promote economic growth through the return of vacant, abandoned, and tax delinquent properties to productive use.
 - (2) The purposes set forth above, which this corporation is formed are considered to be exclusively charitable purposes in order to qualify it as an exempt organization under Section 501 (c)(3) of the Internal Revenue Code of 1986 or corresponding provisions of any subsequent federal tax laws.
 - (3) This corporation shall not, as a substantial part of its activities, carry on propaganda or otherwise attempt to influence legislation, nor shall it participate or intervene (by publication or distribution of any statements or otherwise) in any political campaign on behalf of any candidate for public office.
- B. The lawful public or quasi-public objective of which each business purpose will achieve is: to benefit the public by lessening the burdens on the government of Onondaga County and the City of Syracuse by performing those functions permissible under the New York Land Bank Act to address vacant and abandoned property and to promote economic growth through the return of vacant, abandoned, and tax delinquent properties to productive use.

OPERATIONS SUMMARY

SUMMARY

- A five (5) member board governs the Corporation, with
 - one (1) voting Director appointed by the County Executive of Onondaga County,
 - one (1) voting Director appointed by the Chairman of the Onondaga County Legislature,
 - one (1) voting Director appointed by the Mayor of the City of Syracuse,
 - one (1) voting Director appointed by the Majority Leader of the Common Council of the City of Syracuse and confirmed by the Common Council of the City of Syracuse, and
 - one (1) additional voting Director of the Corporation jointly nominated the Mayor of the City of Syracuse and the County Executive of Onondaga County and confirmed by both the Common Council of the City of Syracuse and the County Legislature of the County of Onondaga.
- The Land Bank acquired 170 properties in 2017. Most, although not all, were acquired subsequent to City foreclosure for tax delinquency.

Acquisition Method	Total
Default on Enforcement Mortgage	2
Donation - Bank	3
Purchase	4
Tax-Foreclosure - City	161
Total	170

- The Land Bank's willingness to accept foreclosed properties has enabled the City of Syracuse to overhaul its tax-collection system. We project that from the time this policy change was implemented in November 2012 through the end of 2017 the City collected a \$10.6 million of previously uncollectable delinquent taxes.
- The Land Bank sold 146 properties in 2017. These included:

Post-Purchase Use Plan	Total
Occupy as Primary Residence	35
Re-Sell to an Owner Occupant	8
Operate as a Rental	66
Operate as Business	4
Parking	1
Side Lot/ Expand Yard	32
Total	146

The board of directors reviews and approves the sale of each parcel ensuring that the buyer's proposed redevelopment project is consistent with the Corporation's mission and purpose.

- Proceeds from the sale of property totaled approximately \$1,378,000 in 2017. The Corporation estimates that all properties sold to date are generating about \$950,000/year in property taxes.
- The buyers of properties sold in 2017 will invest approximately \$3.14 million in renovations. The Land Bank's strategy of acquiring properties and marketing them for buyers to renovate is successfully leveraging private investment. To date, the Land Bank has sold 562 properties, leveraging nearly \$19.2 million in private renovation investment, and approximately 36 more sales are pending closing.
- During the 2017 fiscal year, the Corporation conducted 21 public meetings. These included one annual meeting, eleven regular meetings, one special meeting of the board of directors, and eight committee meetings.
- An independent certified public accounting firm performs the annual financial audit of the Corporation. The report will be available after March 28, 2017 at:
<http://syracuselandbank.org/about/#public-reporting>.

PROGRAMS & INCENTIVES

The Corporation acquires, stabilizes, assembles and markets vacant and abandoned property in order to facilitate its return to productive use. Typically, these are sales in as-is condition to screened buyers whose development plans are consistent with the Corporation's mission whereby the Corporation leverages private investment.

The Corporation discounts the sale of property to a nominal price for:

- Purchase or Lease for Community Gardens or Green Space
- Residential Side-Lot Sales
- Affordable Housing Development

Full-time employees of the City, County, and Syracuse City School District are eligible for a 50% discount off the listing price (discount not to exceed \$20,000) for properties located in the City of Syracuse if they will occupy the property as their primary residence for five years.

Affordable Home Ownership – buyers earning less than 80% of Area Median Income (as defined by HUD) are eligible for a 10% reduction in the listing price if they will occupy the property as their primary residence for five years.

In addition to the discount programs described above, the Land Bank operates two sales preference programs:

- Home-Ownership Choice: When listing move-in ready or nearly move-in ready single-family homes for sale, will wait for up to 60 days prior to considering any purchase offers, in order to offer owner-occupants a chance to apply. The Board shows a preference for owner-occupancy when considering qualified offers. In certain neighborhoods this waiting period will be extended and may apply to two-family homes, as well.
- Tenant to Home-Owner: Tenants living in the home at the time of foreclosure are given the first opportunity to purchase the home prior to it being listed on the MLS.

The Land Bank applied for a third round of Community Revitalization Initiative funds from the Office of the New York Attorney General in late-2017 and was awarded \$2 million in early 2017. These funds will enable the land bank to demolish 56 properties and renovate eight homes for sale to income-qualified owner occupants. This ratio represents a shift from Rounds 1 and 2 in which the Land Bank used \$5 million to demolish 43 structures and renovate 68. The Land Bank currently holds over 200 demolition candidates in inventory and this shift is in response to that challenge.

2017 ACCOMPLISHMENTS

- The City of Syracuse Common Council, after providing funding to the Land Bank for four years in a row, voted in May 2017 to eliminate the Land Bank from their 2017-18 budget.
- In 2017 the County awarded \$300,000 to the Land Bank - \$150,000 of which was restricted to projects in Jordan/Elbridge/Baldwinsville and the other half unrestricted.
- The Corporation acquired 170 vacant, abandoned, or tax-delinquent properties.
- 67 derelict properties were demolished in 2017 – bringing the total to date to 229. 2017 demolitions were completed using grant funds awarded by the NY Attorney General.
- The Corporation sold 146 properties for redevelopment consistent with its mission and purpose.
- Proceeds from the sale of property totaled approximately \$1,378,000 in 2017. The Corporation estimates that all properties sold to date are generating about \$950,000/year in property taxes.
- The buyers of properties sold in 2017 will invest approximately \$3.14 million in renovations. ASSESSMENT OF THE EFFECTIVENESS OF INTERNAL CONTROL STRUCTURE AND PROCEDURES

This statement certifies that management has documented and assessed the internal control structure and procedures of the Greater Syracuse Property Development Corporation for the year ending December 31, 2017. This assessment found the corporation's internal controls to be adequate, and to the extent that deficiencies were identified, the authority has developed corrective action plans to reduce any corresponding risk.

MATERIAL CHANGES IN OPERATIONS & PROGRAMS

The Land Bank continues to outsource lawn mowing, snow removal, and debris removal, but now does most of its own board-ups, re-keying, conditions inspections, and minor repairs at a significant savings over prior years.

2017 GSPDC PROJECT DETAIL

The Corporation acquired 170 vacant, abandoned, or tax-delinquent properties and sold 146 properties in 2017. These are documented in Appendix G.

An Indemnified Person shall cooperate in good faith with any request by the Corporation that common legal counsel be used by the parties to such action or proceeding who are similarly situated unless it would be inappropriate to do so because of actual or potential conflicts between the interests of the parties.

Section 4. Indemnification of Others. Unless clearly prohibited by law or Section 2 of this Article, the Board may approve Corporation indemnification as set forth in Section 1 of this Article or advancement of expenses as set forth in Section 3 of this Article, to a person (or the testator or intestate of a person) who is or was employed by the Corporation or who is or was a volunteer for the Corporation, and who is made, or threatened to be made, a party in any action or proceeding, by reason of the fact of such employment or volunteer activity, including actions undertaken in

connection with service at the request of the Corporation in any capacity for any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise.

Section 5. Determination of Indemnification. Indemnification mandated by a final order of a Court of competent jurisdiction will be paid. After termination or disposition of any actual or threatened action or proceeding against an Indemnified Person, if indemnification has not been ordered by a court the Board shall, upon written request by the Indemnified Person, determine whether and to what extent indemnification is permitted pursuant to these Bylaws. Before indemnification can occur the Board must explicitly find that such indemnification will not violate the provisions of Section 2 of this Article. No Member with a personal interest in the outcome, or who is a party to such actual or threatened action or proceeding concerning which indemnification is sought, shall participate in this determination. If a quorum of disinterested Members is not obtainable, the Board shall act only after receiving the opinion in writing of independent legal counsel that indemnification is proper in the circumstances under than applicable law and these Bylaws.

Section 6. Binding Effect. Any person entitled to indemnification under these Bylaws has a legally enforceable right to indemnification, which cannot be abridged by amendment of these Bylaws with respect to any event, action or omission occurring prior to the date of such amendment.

Section 7. Insurance. The Corporation is not required to purchase Directors' and officers' liability insurance, but the Corporation may purchase such insurance if authorized and approved by the Board. To the extent permitted by law, such insurance may insure the Corporation for any obligation it incurs as a result of this Article or operation of law and it may insure directly the Members, officers, employees or volunteers of the Corporation for liabilities against which they are not entitled to indemnification under this Article as well as for liabilities against which they are entitled or permitted to be indemnified by the Corporation.

Section 8. Nonexclusive Rights. The provisions of this Article shall not limit or exclude any other rights to which any person may be entitled under law or contract. The Board is authorized to enter into agreements on behalf of the Corporation with any Member, officer, employee or volunteer providing them rights to indemnification or advancement of expenses in connection with potential indemnification in addition to the provisions therefore in this Article, subject in all cases to the limitations of Section 2 of this Article.

At the time of the discussion and decision concerning an officer's compensation, the officer should not be present in the meeting. The Board shall obtain and consider appropriate data concerning comparable compensation paid to similar officers in like circumstances. NYS NOT FOR PROFIT LAW ARTICLE 16

Mckinney's Consolidated Laws of New York
Not-For-Profit Corporation Law
Chapter 35. Of the Consolidated Laws
Article 16. Land Banks

§ 1600. Short title

This article shall be known and may be cited as the “land bank act”.

§ 1601. Legislative intent

The legislature finds and declares that New York's communities are important to the social and economic vitality of the state. Whether urban, suburban, or rural, many communities are struggling to cope with vacant, abandoned, and tax-delinquent properties.

There exists a crisis in many cities and their metro areas caused by disinvestment in real property and resulting in a significant amount of vacant and abandoned property. For example, Cornell Cooperative Extension Association of Erie county estimates that the city of Buffalo has thirteen thousand vacant parcels, four thousand vacant structures and an estimated twenty-two thousand two hundred ninety vacant residential units. This condition of vacant and abandoned property represents lost revenue to local governments and large costs ranging from demolition, effects of safety hazards and spreading deterioration of neighborhoods including resulting mortgage foreclosures.

The need exists to strengthen and revitalize the economy of the state and its local units of government by solving the problems of vacant and abandoned property in a coordinated manner and to foster the development of such property and promote economic growth. Such problems may include multiple taxing jurisdictions lacking common policies, ineffective property inspection, code enforcement and property rehabilitation support, lengthy and/or inadequate foreclosure proceedings and lack of coordination and resources to support economic revitalization.

There is an overriding public need to confront the problems caused by vacant, abandoned and tax-delinquent properties through the creation of new tools to be available to communities throughout New York enabling them to turn vacant spaces into vibrant places.

Land banks are one of the tools that can be utilized by communities to facilitate the return of vacant, abandoned, and tax-delinquent properties to productive use. The primary focus of land bank operations is the acquisition of real property that is tax delinquent, tax foreclosed, vacant, abandoned, and the use of tools authorized in this article to eliminate the harms and liabilities caused by such properties.

- (b) The land bank may acquire real property or interests in real property by gift, devise, transfer, exchange, foreclosure, purchase, or otherwise on terms and conditions and in a manner the land bank considers proper.
- (c) The land bank may acquire real property by purchase contracts, lease purchase agreements, installment sales contracts, land contracts, and may accept transfers from municipalities upon such terms and conditions as agreed to by the land bank and the municipality. - (d) The land bank shall maintain all of its real property in accordance with the laws and ordinances of the jurisdiction in which the real property is located.

- (f) Notwithstanding any other provision of law to the contrary, any municipality may convey to a land bank real property and interests in real property on such terms and conditions, form and substance of consideration, and procedures, all as determined by the transferring municipality in its discretion.
- (g) The acquisition of real property by a land bank pursuant to the provisions of this article, from entities other than political subdivisions, shall be limited to real property that is tax delinquent, tax foreclosed, vacant or abandoned; provided, however, that a land bank shall have authority to enter into agreements to purchase other real property consistent with an approved redevelopment plan.
- (h) The land bank shall maintain and make available for public review and inspection a complete inventory of all property received by the land bank. (i) All parcels received by the land bank shall be listed on the received inventory established pursuant to paragraph (h) of this section within one week of acquisition and shall remain in such inventory for one week prior to disposition.

(j) Failure to comply with the requirements in paragraphs (h) and (i) of this section with regard to any particular parcel shall cause such acquisition by the land bank to be null and void.

§ 1609. Disposition of property

(a) The land bank shall hold in its own name all real property acquired by the land bank irrespective of the identity of the transferor of such property.

(b) The land bank shall maintain and make available for public review and inspection a complete inventory of all real property dispositions by the land bank. Such inventory shall include a complete copy of the sales contract including all terms and conditions including, but not limited to, any form of compensation received by the land bank or any other party which is not included within the sale price.

(c) The land bank shall determine and set forth in policies and procedures of the board of directors the general terms and conditions for consideration to be received by the land bank for the transfer of real property and interests in real property, which consideration may take the form of monetary payments and secured financial obligations, covenants and conditions related to the present and future use of the property, contractual commitments of the transferee, and such other forms of consideration as are consistent with state and local law.

(d) The land bank may convey, exchange, sell, transfer, lease as lessor, grant, release and demise, pledge any and all interests in, upon or to real property of the land bank.

(e) A foreclosing governmental unit may, in its local law, resolution or ordinance creating a land bank, or, in the case of multiple foreclosing governmental units creating a single land bank in the applicable intergovernmental cooperation agreement, establish a hierarchical ranking of priorities for the use of real property conveyed by a land bank including but not limited to:

(1) use for purely public spaces and places;

(2) use for affordable housing;

(3) use for retail, commercial and industrial activities;

(4) use as wildlife conservation areas; and

(5) such other uses and in such hierarchical order as determined by the foreclosing governmental unit or units.

(f) A foreclosing governmental unit may, in its local law, resolution or ordinance creating a land bank, or, in the case of multiple foreclosing governmental units creating a single land bank in the applicable intergovernmental cooperation agreement, require that any particular form of disposition of real property, or any disposition of real property located within specified jurisdictions, be subject to specified voting and approval requirements of the board of directors. Except and unless restricted or constrained in this manner, the board of directors may delegate to officers and employees the authority to enter into and execute agreements, instruments of conveyance and all other related documents pertaining to the conveyance of real property by the land bank.

(g) All property dispositions shall be listed on the property disposition inventory established pursuant to paragraph (b) of this section within one week of disposition. Such records shall remain available for public inspection in the property disposition inventory indefinitely.

(h) Failure to comply with the requirements in paragraph (g) of this section shall subject the land bank to a civil penalty of one hundred dollars per violation up to a maximum of ten thousand dollars for each parcel, recoverable in an action brought by the attorney general or district attorney. The attorney general or district attorney may also seek rescission of the real property transaction.

§ 1610. Financing of land bank operations

(a) A land bank may receive funding through grants and loans from the foreclosing governmental unit or units which created the land bank, from other municipalities, from the state of New York, from the federal government, and from other public and private sources.

(b) A land bank may receive and retain payments for services rendered, for rents and leasehold payments received, for consideration for disposition of real and personal property, for proceeds of insurance coverage for losses incurred, for income from investments, and for any other asset and activity lawfully permitted to a land bank under this article.

(c) Upon the adoption of a local law, ordinance, or resolution by municipality, school district or any taxing district, fifty percent of the real property taxes collected on any specific parcel of real property identified by such municipality, school district or any taxing jurisdiction may be remitted to the land bank, in accordance with procedures established by regulations promulgated by the department of taxation and finance. Such allocation of real property tax revenues shall commence with the first taxable year following the date of conveyance and shall continue for a period of five years.

§ 1611. Borrowing and issuance of bonds

(a) A land bank shall have power to issue bonds for any of its corporate purposes, the principal and interest of which are payable from its revenues generally. Any of such bonds may be secured by a pledge of any revenues, including grants or contributions from the state of New York, the federal government, or any agency, and instrumentality thereof, or by a mortgage of any property of the land bank.

(b) The bonds issued by a land bank are hereby declared to have all the qualities of negotiable instruments under New York state law.

(c) The bonds of a land bank created under the provisions of this article and the income therefrom shall at all times be free from taxation for the state of New York or local purposes under any provision of New York law.

(d) Bonds issued by the land bank shall be authorized by resolution of the board and shall be limited obligations of the land bank; the principal and interest, costs of issuance, and other costs incidental thereto shall be payable solely from the income and revenue derived from the sale, lease, or other disposition of the assets of the land bank. In the discretion of the land bank, the bonds may be additionally secured by mortgage or other security device covering all or part of the project from which the revenues so pledged may be derived. Any refunding bonds issued shall be payable from any source described above or from the investment of any of the proceeds of the refunding bonds and shall not constitute an indebtedness or pledge of the general credit of any foreclosing governmental unit or municipality within the meaning of any constitutional or statutory limitation of indebtedness and shall contain a recital to that effect. Bonds of the land bank shall be issued in such form, shall be in such denominations, shall bear interest, shall mature in such manner, and be executed by one or more members of the board as provided in the resolution authorizing the issuance thereof. Such bonds may be

subject to redemption at the option of and in the manner determined by the board in the resolution authorizing the issuance thereof.

(e) Bonds issued by the land bank shall be issued, sold, and delivered in accordance with the terms and provisions of a resolution adopted by the board. The board may sell such bonds in such manner, either at public or at private sale, and for such price as it may determine to be in the best interests of the land bank. The resolution issuing bonds shall be published in a newspaper of general circulation within the jurisdiction of the land bank.

(f) Neither the members of a land bank nor any person executing the bonds shall be liable personally on any such bonds by reason of the issuance thereof. Such bonds or other obligations of a land bank shall not be a debt of any municipality or of the state of New York, and shall so state on their face, nor shall any municipality or the state of New York nor any revenues or any property of any municipality or of the state of New York be liable therefor.

§ 1612. Public records and public meetings

(a) The board shall cause minutes and a record to be kept of all its proceedings. Except as otherwise provided in this section, the land bank shall be subject to the open meetings law and the freedom of information law.

(b) A land bank shall hold a public hearing prior to financing or issuance of bonds. The land bank shall schedule and hold a public hearing and solicit public comment. After the conclusion of the public hearing and comments, the land bank shall consider the results of the public hearing and comments with respect to the proposed actions. Such consideration by the land bank shall include the accommodation of the public interest with respect to such actions; if such accommodation is deemed in the best interest of the community proposed actions shall include such accommodation.

(c) In addition to any other report required by this chapter, the land bank, through its chairperson, shall annually deliver, in oral and written form, a report to the municipality. Such report shall be presented by March fifteenth of each year to the governing body or board of the municipality. The report shall describe in detail the projects undertaken by the land bank during the past year, the monies expended by the land bank during the past year, and the administrative activities of the land bank during the past year. At the conclusion of the report, the chairperson of the land bank shall be prepared to answer the questions of the municipality with respect to the projects undertaken by the authority during the past year, the monies expended by the municipality during the past year, and the administrative activities of the municipality during the past year.

§ 1613. Dissolution of land bank

A land bank may be dissolved as a type C not-for-profit corporation sixty calendar days after an affirmative resolution approved by two-thirds of the membership of the board of directors. Sixty calendar days advance written notice of consideration of a resolution of dissolution shall be given to the foreclosing governmental unit or units that created the land bank, shall be published in a local newspaper of general circulation, and shall be sent certified mail to the trustee of any outstanding bonds of the land bank. Upon dissolution of the land bank all real property, personal property and other assets of the land bank shall become the assets of the foreclosing governmental unit or units that created the land bank. In the event that two or more foreclosing governmental units create a land bank in accordance with section sixteen hundred three of this article, the withdrawal of one or more foreclosing governmental units shall not result in the dissolution of the land bank unless the intergovernmental agreement so provides, and there is no foreclosing governmental unit that desires to continue the existence of the land bank.

§ 1614. Conflicts of interest

No member of the board or employee of a land bank shall acquire any interest, direct or indirect, in real property of the land bank, in any real property to be acquired by the land bank, or in any real property to be acquired from the land bank. No member of the board or employee of a land bank shall have any interest, direct or indirect, in any contract or proposed contract for materials or services to be furnished or used by a land bank. The board may adopt supplemental rules and regulations addressing potential conflicts of interest and ethical guidelines for members of the board and land bank employees.

§ 1615. Construction, intent and scope

The provisions of this article shall be construed liberally to effectuate the legislative intent and the purposes as complete and independent authorization for the performance of each and every act and thing authorized by this article, and all powers granted shall be broadly interpreted to effectuate the intent and purposes and not as a limitation of powers. Except as otherwise expressly set forth in this article, in the exercise of its powers and duties under this article and its powers relating to property held by the land bank, the land bank shall have complete control as fully and completely as if it represented a private property owner and shall not be subject to restrictions imposed by the charter, ordinances, or resolutions of a local unit of government.

§ 1616. Delinquent property tax enforcement

The municipality may enter into a contract to sell some or all of the delinquent tax liens held by it to a land bank, subject to the following conditions:

- (a) The consideration to be paid may be more or less than the face amount of the tax liens sold.
- (b) Property owners shall be given at least thirty days advance notice of such sale in the same form and manner as is provided by subdivision two of section eleven hundred ninety of the real property tax law. Failure to provide such notice or the failure of the addressee to receive the same shall not in any way affect the validity of any sale of a tax lien or tax liens or the validity of the taxes or interest prescribed by law with respect thereto.
- (c) The municipality shall set the terms and conditions of the contract of sale.
- (d) The land bank must thirty days prior to the commencement of any foreclosure action provide to the municipality a list of liens to be foreclosed. The municipality may, at its sole option and discretion, repurchase a lien or liens on the foreclosure list from the land bank. The repurchase price shall be the amount of the lien or liens plus any accrued interest and collection fees incurred by the land bank. The land bank shall provide the foreclosure list to the municipality, along with the applicable repurchase price of each lien, by certified mail, and the municipality shall have thirty days from receipt to notify the land bank of its option to purchase one or more of the liens. If the municipality opts to purchase the lien, it shall provide payment within thirty days of receipt of the repurchase price of said lien or liens. If the municipality shall fail to opt to repurchase the lien or liens the land bank shall have the right to commence a foreclosure action immediately.
- (e) The sale of a tax lien pursuant to this article shall not operate to shorten the otherwise applicable redemption period or change the otherwise applicable interest rate.
- (f) Upon the expiration of the redemption period prescribed by law, the purchaser of a delinquent tax lien, or its successors or assigns, may foreclose the lien as in an action to foreclose a mortgage as provided in section eleven hundred ninety-four of the real property tax law. The procedure in such action shall be the procedure prescribed by article thirteen of the real property actions and proceedings law for the foreclosure of mortgages. At any time following the commencement of an action to foreclose a lien, the amount required to redeem the

lien, or the amount received upon sale of a property, shall include reasonable and necessary collection costs, attorneys' fees, legal costs, allowances, and disbursements.

(g) The provisions of title five of article eleven of the real property tax law shall apply so far as is practicable to a contract for the sale of tax liens pursuant to this article.

(h) If the court orders a public sale pursuant to section eleven hundred thirty-six of the real property tax law, and the purchaser of the property is the land bank, then the form, substance, and timing of the land bank's payment of the sales price may be according to such agreement as is mutually acceptable to the plaintiff and the land bank. The obligation of the land bank to perform in accordance with such agreement shall be deemed to be in full satisfaction of the tax claim which was the basis for the judgment.

(i) Notwithstanding any other provision of law to the contrary, in the event that no municipality elects to tender a bid at a judicially ordered sale pursuant to the provisions of section eleven hundred thirty-six of the real property tax law, the land bank may tender a bid at such sale in an amount equal to the total amount of all municipal claims and liens which were the basis for the judgment. In the event of such tender by the land bank the property shall be deemed sold to the land bank regardless of any bids by any other third parties. The bid of the land bank shall be paid as to its form, substance, and timing according to such agreement as is mutually acceptable to the plaintiff and the land bank. The obligation of the land bank to perform in accordance with such agreement shall be deemed to be in full satisfaction of the municipal claim which was the basis for the judgment. The land bank, as purchaser at such sale shall take and forever thereafter have, an absolute title to the property sold, free and discharged of all tax and municipal claims, liens, mortgages, charges and estates of whatsoever kind. The deed to the land bank shall be executed, acknowledged and delivered within thirty days of the sale.

§ 1617. Contracts

(a) The land bank may, in its discretion, assign contracts for supervision and coordination to the successful bidder for any subdivision of work for which the land bank receives bids. Any construction, demolition, renovation and reconstruction contract awarded by the land bank shall contain such other terms and conditions as the land bank may deem desirable. The land bank shall not award any construction, demolition, renovation and reconstruction contract greater than ten thousand dollars except to the lowest bidder who, in its opinion, is qualified to perform the work required and who is responsible and reliable. The land bank may, however, reject any or all bids or waive any in-formality in a bid if it believes that the public interest will be promoted thereby. The land bank may reject any bid, if, in its judgment, the business and technical organization, plant, resources, financial standing, or experience of the bidder justifies such rejection in view of the work to be performed.

(b) For the purposes of article fifteen-A of the executive law only, the land bank shall be deemed a state agency as that term is used in such article, and all contracts for procurement, design, construction, services and materials shall be deemed state contracts within the meaning of that term as set forth in such article.
