Buyers' Names:

Smith Housing, LLC

Purchase Price:

\$1,000

Benefit to the Community Resulting from the Sale:

This sale will:

- Help the land bank avoid the cost of a demolition
- Return this property to the tax rolls and ensure that it will be renovated and returned to productive use
- Put one or more units of quality rental housing on the market

Buyer's Unique Qualifications for Returning the Property to Productive Use:

This home 3,500 sq. ft. home was likely built as a single-family mansion. It is located in an Residential, Class A zoning district, which allows single- and two-family homes. Assessment has it listed as a single-family, but it has three kitchens although the three units are not clearly delineated. Mr. Smith plans to convert it to a one- or two-family home or possibly apply for a variance as a three-unit, but he is committed to doing whatever is required by codes/zoning to make it legal. He has an excellent reputation as a responsible landlord and owns 37 properties in the City, all in the Near Westside Neighborhood. This house is one of only three on the south side of the 800 block and Smith Housing owns the two neighboring houses.

We haven't previously listed it because the unusual floorplan, large size, and the fact that all three units are on one outdated boiler system made it appear unlikely that it could be cost effectively renovated.
