CORPORATION ORGANIZATIONAL CHART

REPORTING TO THE CITY OF SYRACUSE AND COUNTY OF ONONDAGA

The GSPDC is a Land Bank jointly created by the City of Syracuse and County of Onondaga by an Intermunicipal Agreement under the New York Land Bank Act. As such, it is required to make annual reports to both “foreclosing governmental units” (FGUs) that appoint the GSPDC’s Board of Directors. The GSPDC relies on significant financial support from the two FGUs. In addition, it is a component unit of the City of Syracuse.

improve the quality of life, and improve the financial condition of the municipalities, through the use of the powers and tools granted to Land Banks by the Laws of the State of New York.

Initially Adopted: August 14, 2012; Readopted January 19, 2021

 - one (1) voting Director appointed by the Chairman of the Onondaga County Legislature,
 - one (1) voting Director appointed by the Mayor of the City of Syracuse,

ACQUISITION METHOD	TOTAL

TOTAL	58

- The Land Bank's willingness to accept foreclosed properties has enabled the City of Syracuse to overhaul its tax-collection system. From the time this policy was implemented in November 2012 through the end of 2020, the City collected an estimated \$19.7 million of previously uncollectable delinquent taxes.
- The Land Bank sold 147 properties in 2020. These included:

POST-PURCHASE USE PLAN	TOTAL
Occupy as Primary Residence	30
Re-Sell to an Owner Occupant	22
Re-Sell (other)	4
Operate as a Rental	49
Operate as a Business	1
Public Use/Green Space	3
Parking	1
Side Lot/Expand Yard	37
Commercial Side Lot	1
TOTAL	147

The Board of Directors reviews and approves the sale of each parcel to ensure that the buyer's proposed redevelopment project is consistent with the Corporation's mission and purpose.

- Proceeds from the sale of property totaled \$1,035,660 in 2020. The Corporation estimates that all properties sold to date are generating about \$1.5 million per year in property taxes.
- The Land Bank's strategy of acquiring properties and marketing them for buyers to renovate is successfully leveraging private investment. Buyers who purchased properties in 2020 will invest approximately \$4.8 million

in renovations. From 2012 to 2020, the Land Bank sold 958 properties, leveraging over \$33 million in private renovation investment.

- During the 2020 fiscal year, the Corporation conducted 14 public meetings (many by video conference due to the COVID-19 pandemic). These included one (1) annual meeting, eleven (11) regular meetings of the Board of Directors, one (1) special meeting of the Board of Directors, and one (1) committee meeting.
- An independent certified public accounting firm performs the annual financial audit of the Corporation. The report will be available after March 30, 2021 on the Land Bank website at: <http://syracuselandbank.org/about/#public-reporting>.

PROGRAMS & INCENTIVES

The Corporation acquires, stabilizes, assembles and markets vacant and abandoned property in order to facilitate its return to productive use. Typically, these are sales in as-is condition to screened buyers whose development plans are consistent with the Corporation's mission whereby the Corporation leverages private investment.

The Corporation discounts the sale of property to a nominal price for:

- Purchase or Lease for Community Gardens or Green Space
- Residential Side-Lot Sales
- Affordable Housing Development

Public Employee Discount – Full-time employees of the City, County, and Syracuse City School District are eligible for a 50% discount off the listing price (discount not to exceed \$20,000) for properties located in the City of Syracuse if they will occupy the property as their primary residence for five years.

Affordable Home Ownership – Buyers earning less than 80% of Area Median Income (as defined by HUD) are eligible for a 10% reduction in the listing price if they will occupy the property as their primary residence for five years.

In addition to the discount programs described above, the Land Bank operates two sales preference programs:

- Home-Ownership Choice: In order to promote home-ownership, the Land Bank will only accept offers on Home-Ownership Choice properties from buyers who plan to occupy the home as their primary residence or who will sell to an owner-occupant. The Land Bank's lien against the property isn't discharged until the property is renovated and owner-occupied. The listing notes for the property indicate whether it is in this program.
- Tenant to Home-Owner: Tenants living in the home at the time of foreclosure are given the first opportunity to purchase the home prior to it being listed for sale.

The Land Bank applied for and received an additional \$660,000 in Community Revitalization Initiative funds in 2020. Some of these funds were spent in 2020 to demolish 11 vacant structures to make way for new construction; the remaining funds will be used for the construction of five new houses 2021. The Land Bank currently has over 250 demolition candidates in inventory.

The Land Bank received a \$600,000 Brownfield Assessment grant from the EPA in 2019 and in 2020 worked with the City to prioritize seizable brownfields for foreclosure and began to spend down those funds on Phase I and II Environmental Site Assessments using the data generated to prioritize certain sites for foreclosure.

2020 ACCOMPLISHMENTS

- The Syracuse Common Council awarded \$500,000 to the Land Bank, of which \$250,000 was restricted to demolition (requiring a 1:1 match) and \$250,000 could be used for property maintenance.
- The Onondaga County Legislature voted in September 2019 to include \$250,000 for the Land Bank in their 2020 budget. These funds were never released to the Land Bank due to the fiscal impact of COVID19 on the County.

- In 2020, the Land Bank continued to pursue architectural salvage opportunities prior to demolition, stripping out architectural items that can be re-used in other renovations. The Land Bank is currently working with a not-for-profit architectural salvage store in Ithaca to sell this material and generate revenue to support the Land Bank's mission.
- The Corporation acquired 58 vacant, abandoned, or tax-delinquent properties.
- The Corporation demolished 52 derelict properties in 2020, bringing the total to date to 401. These demolitions were completed using Round 4.2 CRI grant funds, City funding, and CDBG funds.
- The Corporation sold 147 properties for redevelopment consistent with its mission and purpose. Proceeds from these sales totaled over \$1 million despite our relatively low inventory and three-month COVID-19 shutdown.
- The Corporation estimates that all properties sold to date generate about \$1.5 million per year in property taxes.
- Buyers who purchased properties in 2020 will invest approximately \$4.8 million in renovations. The Land Bank's strategy of acquiring properties and marketing them for buyers to renovate is successfully leveraging private investment. To date, the Land Bank has sold 1,000 properties, leveraging over \$33 million in private renovation investment.

ASSESSMENT OF THE EFFECTIVENESS OF INTERNAL CONTROL STRUCTURE AND PROCEDURES

This statement certifies that management has documented and assessed the internal control structure and procedures of the Greater Syracuse Property Development Corporation for the year ending December 31, 2020. This assessment found the Corporation's internal controls to be adequate, and to the extent that deficiencies were identified, the authority has developed corrective action plans to reduce any corresponding risk.

MATERIAL CHANGES IN OPERATIONS & PROGRAMS

The Land Bank continues to outsource lawn mowing, snow removal, and debris removal, but now does most of its own board-ups, re-keying, conditions inspections, and minor repairs at a significant savings over prior years.

GSPDC PROJECT DETAIL

The Corporation acquired 58 vacant, abandoned, or tax-delinquent properties and sold 147 properties in 2020. These are documented in Appendix G.

NYS NOT FOR PROFIT LAW ARTICLE 16

Mckinney's Consolidated Laws of New York
Not-For-Profit Corporation Law
Chapter 35. Of the Consolidated Laws
Article 16. Land Banks

§ 1600. Short title

This article shall be known and may be cited as the “land bank act”.

§ 1601. Legislative intent

The legislature finds and declares that New York's communities are important to the social and economic vitality of the state. Whether urban, suburban, or rural, many communities are struggling to cope with vacant, abandoned, and tax-delinquent properties.

There exists a crisis in many cities and their metro areas caused by disinvestment in real property and resulting in a significant amount of vacant and abandoned property. For example, Cornell Cooperative Extension Association of Erie county estimates that the city of Buffalo has thirteen thousand vacant parcels, four thousand vacant structures and an estimated twenty-two thousand two hundred ninety vacant residential units. This condition of vacant and abandoned property represents lost revenue to local governments and large costs ranging from demolition, effects of safety hazards and spreading deterioration of neighborhoods including resulting mortgage foreclosures.

The need exists to strengthen and revitalize the economy of the state and its local units of government by solving the problems of vacant and abandoned property in a coordinated manner and to foster the development of such property and promote economic growth. Such problems may include multiple taxing jurisdictions lacking common policies, ineffective property inspection, code enforcement and property rehabilitation support, lengthy and/or inadequate foreclosure proceedings and lack of coordination and resources to support economic revitalization.

There is an overriding public need to confront the problems caused by vacant, abandoned and tax-delinquent properties through the creation of new tools to be available to communities throughout New York enabling them to turn vacant spaces into vibrant places.

Land banks are one of the tools that can be utilized by communities to facilitate the return of vacant, abandoned, and tax-delinquent properties to productive use. The primary focus of land bank operations is the acquisition of real property that is tax delinquent, tax foreclosed, vacant, abandoned, and the use of tools authorized in this article to eliminate the harms and liabilities caused by such properties.

§ 1602. Definitions

The following words and phrases when used in this article shall have the meanings given to them in this section unless the context clearly indicates otherwise:

- (a) “board of directors” or “board” shall mean the board of directors of a land bank;
- (b) “land bank” shall mean a land bank established as a type C not-for-profit corporation under this chapter and in accordance with the provisions of this article and pursuant to this article;
- (c) “foreclosing governmental unit” shall mean “tax district” as defined in subdivision six of section eleven hundred two of the real property tax law;
- (d) “municipality” shall mean a city, village, town or county other than a county located wholly within a city;

§ 1603. Creation and existence

Such intergovernmental agreement shall include provisions for dissolution of such land bank.
- (d) Except when a land bank is created pursuant to paragraph (b) or (c) of this section, in the event a county creates a land bank, such land bank shall have the power to acquire real property only in those portions of such county located outside of the geographical boundaries of any other land bank created by any other foreclosing governmental unit located partially or entirely within such county.

(f) Each land bank created pursuant to this act shall be a type C not-for-profit corporation, and shall have permanent and perpetual duration until terminated and dissolved in accordance with the provisions of section sixteen hundred thirteen of this article.

Such rules and regulations may prescribe a procedure whereby, should any member fail to comply with such rules and regulations, such member may be disqualified and removed automatically from office by no less than a majority vote of the remaining members of the board, and that member's position shall be vacant as of the first day of the next calendar month. Any person removed under the provisions of this paragraph shall be ineligible for reappointment to the board, unless such reappointment is confirmed unanimously by the board.

(f) A vacancy on the board shall be filled in the same manner as the original appointment.

- (8) to enter into contracts and other instruments necessary to the performance of functions by the land bank on behalf of municipalities or agencies or departments of municipalities, or the performance by municipalities or agencies or departments of municipalities of functions on behalf of the land bank;

(21) to organize a subsidiary for a project or projects which the land bank has the power to pursue under this article when the primary reason for which the subsidiary shall be organized shall be to limit the potential liability impact of the subsidiary's project or projects on the land bank or because state or federal law requires that the purpose of a subsidiary be undertaken through a specific corporate or business structure. All real property of a subsidiary organized under this article shall be maintained on the inventory lists required in this article of the land bank of which it is a subsidiary and the subsidiary shall make all reports and other disclosures as are required of land banks under this article and as local public authorities, unless the subsidiary's operations and finances are consolidated with those of the land bank of which it is a subsidiary. Subsidiaries organized under this article shall be established in the form of a New York charitable not-for-profit corporation or a New York single member limited liability company. Subsidiaries shall not have the authority to issue bonds, notes or other debts, provided, however, that such subsidiaries may issue notes or other debt to the land bank of which it is a subsidiary. The organizational documents filed to create a subsidiary under this article shall state that the land bank is organizing the subsidiary for the purposes set forth in this article and the name of the subsidiary shall be reasonably related to the name of the land bank of which it is a subsidiary. (b) A land bank shall neither possess nor exercise the power of eminent domain.

§ 1608. Acquisition of property

(a) The real property of a land bank and its income and operations are exempt from all taxation by the state of New York and by any of its political subdivisions. The real property of a land bank shall be exempt from: (i) all special ad valorem levies and special assessments as defined in section one hundred two of the real property tax law; (ii) sewer rent imposed under article fourteen-F of the general municipal law; and (iii) any and all user charges imposed by any municipal corporation, special district or other political subdivisions of the state, provided, however, that real property of a land bank for which such land bank receives rent, fees, or other charges for the use of such real property shall not be exempt from subparagraphs (ii) and (iii) of this paragraph. Such exempt status shall be effective upon the date of transfer of title to a land bank, notwithstanding the applicable taxable status date. Notwithstanding any other general, special or local law

relating to fees of clerks, no clerk shall charge or collect a fee for filing, recording or indexing any paper, document, map or proceeding filed, recorded or indexed for a land bank, or an officer thereof acting in an official capacity, nor for furnishing a transcript, certification or copy of any paper, document, map or proceeding to be used for land bank purposes.

(b) The land bank may acquire real property or interests in real property by gift, devise, transfer, exchange, foreclosure, purchase, or otherwise on terms and conditions and in a manner the land bank considers proper.

(c) The land bank may acquire real property by purchase contracts, lease purchase agreements, installment sales contracts, land contracts, and may accept transfers from municipalities upon such terms and conditions as agreed to by the land bank and the municipality. Notwithstanding any other law to the contrary, any municipality may transfer to the land bank real property and interests in real property of the municipality on such terms and conditions and according to such procedures as determined by the municipality.

(d) The land bank shall maintain all of its real property in accordance with the laws and ordinances of the jurisdiction in which the real property is located.

(e) The land bank shall not own or hold real property located outside the jurisdictional boundaries of the foreclosing governmental unit or units which created the land bank; provided, however, that a land bank may be granted authority pursuant to an intergovernmental cooperation agreement with another municipality to manage and maintain real property located within the jurisdiction of such other municipality.

(f) Notwithstanding any other provision of law to the contrary, any municipality may convey to a land bank real property and interests in real property on such terms and conditions, form and substance of consideration, and procedures, all as determined by the transferring municipality in its discretion.

(g) The acquisition of real property by a land bank pursuant to the provisions of this article, from entities other than political subdivisions, shall be limited to real property that is tax delinquent, tax foreclosed, vacant or abandoned; provided, however, that a land bank shall have authority to enter into agreements to purchase other real property consistent with an approved redevelopment plan.

(h) The land bank shall maintain and make available for public review and inspection a complete inventory of all property received by the land bank. Such inventory shall include: the location of the parcel; the purchase price, if any, for each parcel received; the current value assigned to the property for purposes of real property taxation; the amount, if any, owed to the locality for real property taxation; the identity of the transferor; and any conditions or restrictions applicable to the property.

(i) All parcels received by the land bank shall be listed on the received inventory established pursuant to paragraph (h) of this section within one week of acquisition and shall remain in such inventory for one week prior to disposition.

(j) Failure to comply with the requirements in paragraphs (h) and (i) of this section with regard to any particular parcel shall cause such acquisition by the land bank to be null and void.

§ 1609. Disposition of property

(a) The land bank shall hold in its own name all real property acquired by the land bank irrespective of the identity of the transferor of such property.

(b) The land bank shall maintain and make available for public review and inspection a complete inventory of all real property dispositions by the land bank. Such inventory shall include a complete copy of the sales contract including all terms and conditions including, but not limited to, any form of compensation received by the land bank or any other party which is not included within the sale price.

(c) The land bank shall determine and set forth in policies and procedures of the board of directors the general terms and conditions for consideration to be received by the land bank for the transfer of real property and interests in real property, which consideration may take the form of monetary payments and secured financial obligations, covenants and conditions related to the present and future use of the property, contractual commitments of the transferee, and such other forms of consideration as are consistent with state and local law.

(d) The land bank may convey, exchange, sell, transfer, lease as lessor, grant, release and demise, pledge any and all interests in, upon or to real property of the land bank.

(e) A foreclosing governmental unit may, in its local law, resolution or ordinance creating a land bank, or, in the case of multiple foreclosing governmental units creating a single land bank in the applicable intergovernmental cooperation agreement, establish a hierarchical ranking of priorities for the use of real property conveyed by a land bank including but not limited to:

(1) use for purely public spaces and places;

(2) use for affordable housing;

(3) use for retail, commercial and industrial activities;

(4) use as wildlife conservation areas; and

(5) such other uses and in such hierarchical order as determined by the foreclosing governmental unit or units.

(f) A foreclosing governmental unit may, in its local law, resolution or ordinance creating a land bank, or, in the case of multiple foreclosing governmental units creating a single land bank in the applicable intergovernmental cooperation agreement, require that any particular form of disposition of real property, or any disposition of real property located within specified jurisdictions, be subject to specified voting and approval requirements of the board of directors. Except and unless restricted or constrained in this manner, the board of directors may delegate to officers and employees the authority to enter into and execute agreements, instruments of conveyance and all other related documents pertaining to the conveyance of real property by the land bank.

(g) All property dispositions shall be listed on the property disposition inventory established pursuant to paragraph (b) of this section within one week of disposition. Such records shall remain available for public inspection in the property disposition inventory indefinitely.

(h) Failure to comply with the requirements in paragraph (g) of this section shall subject the land bank to a civil penalty of one hundred dollars per violation up to a maximum of ten thousand dollars for each parcel, recoverable in an action brought by the attorney general or district attorney. The attorney general or district attorney may also seek rescission of the real property transaction.

§ 1610. Financing of land bank operations

(a) A land bank may receive funding through grants and loans from the foreclosing governmental unit or units which created the land bank, from other municipalities, from the state of New York, from the federal government, and from other public and private sources.

(b) A land bank may receive and retain payments for services rendered, for rents and leasehold payments received, for consideration for disposition of real and personal property, for proceeds of insurance coverage for losses incurred, for income from investments, and for any other asset and activity lawfully permitted to a land bank under this article.

(c) Upon the adoption of a local law, ordinance, or resolution by municipality, school district or any taxing district, fifty percent of the real property taxes collected on any specific parcel of real property identified by such municipality, school district or any taxing jurisdiction may be remitted to the land bank, in accordance with procedures established by regulations promulgated by the department of taxation and finance. Such allocation of real property tax revenues shall commence with the first taxable year following the date of conveyance and shall continue for a period of five years.

§ 1611. Borrowing and issuance of bonds

(a) A land bank shall have power to issue bonds for any of its corporate purposes, the principal and interest of which are payable from its revenues generally. Any of such bonds may be secured by a pledge of any revenues, including grants or contributions from the state of New York, the federal government, or any agency, and instrumentality thereof, or by a mortgage of any property of the land bank.

(b) The bonds issued by a land bank are hereby declared to have all the qualities of negotiable instruments under New York state law.

(c) The bonds of a land bank created under the provisions of this article and the income therefrom shall at all times be free from taxation for the state of New York or local purposes under any provision of New York law.

(d) Bonds issued by the land bank shall be authorized by resolution of the board and shall be limited obligations of the land bank; the principal and interest, costs of issuance, and other costs incidental thereto shall be payable solely from the income and revenue derived from the sale, lease, or other disposition of the assets of the land bank. In the discretion of the land bank, the bonds may be additionally secured by mortgage or other security device covering all or part of the project from which the revenues so pledged may be derived. Any refunding bonds issued shall be payable from any source described above or from the investment of any of the proceeds of the refunding bonds and shall not constitute an indebtedness or pledge of the general credit of any foreclosing governmental unit or municipality within the meaning of any constitutional or statutory limitation of indebtedness and shall contain a recital to that effect. Bonds of the land bank shall be issued in such form, shall be in such denominations, shall bear interest, shall mature in such manner, and be executed by one or more members of the board as provided in the resolution authorizing the issuance thereof. Such bonds may be subject to redemption at the option of and in the manner determined by the board in the resolution authorizing the issuance thereof.

(e) Bonds issued by the land bank shall be issued, sold, and delivered in accordance with the terms and provisions of a resolution adopted by the board. The board may sell such bonds in such manner, either at public or at private sale, and for such price as it may determine to be in the best interests of the land bank. The resolution issuing bonds shall be published in a newspaper of general circulation within the jurisdiction of the land bank.

(f) Neither the members of a land bank nor any person executing the bonds shall be liable personally on any such bonds by reason of the issuance thereof. Such bonds or other obligations of a land bank shall not be a debt

of any municipality or of the state of New York, and shall so state on their face, nor shall any municipality or the state of New York nor any revenues or any property of any municipality or of the state of New York be liable therefor.

§ 1612. Public records and public meetings

(a) The board shall cause minutes and a record to be kept of all its proceedings. Except as otherwise provided in this section, the land bank shall be subject to the open meetings law and the freedom of information law.

(b) A land bank shall hold a public hearing prior to financing or issuance of bonds. The land bank shall schedule and hold a public hearing and solicit public comment. After the conclusion of the public hearing and comments, the land bank shall consider the results of the public hearing and comments with respect to the proposed actions. Such consideration by the land bank shall include the accommodation of the public interest with respect to such actions; if such accommodation is deemed in the best interest of the community proposed actions shall include such accommodation.

(c) In addition to any other report required by this chapter, the land bank, through its chairperson, shall annually deliver, in oral and written form, a report to the municipality. Such report shall be presented by March fifteenth of each year to the governing body or board of the municipality. The report shall describe in detail the projects undertaken by the land bank during the past year, the monies expended by the land bank during the past year, and the administrative activities of the land bank during the past year. At the conclusion of the report, the chairperson of the land bank shall be prepared to answer the questions of the municipality with respect to the projects undertaken by the authority during the past year, the monies expended by the municipality during the past year, and the administrative activities of the municipality during the past year.

§ 1613. Dissolution of land bank

A land bank may be dissolved as a type C not-for-profit corporation sixty calendar days after an affirmative resolution approved by two-thirds of the membership of the board of directors. Sixty calendar days advance written notice of consideration of a resolution of dissolution shall be given to the foreclosing governmental unit or units that created the land bank, shall be published in a local newspaper of general circulation, and shall be sent certified mail to the trustee of any outstanding bonds of the land bank. Upon dissolution of the land bank all real property, personal property and other assets of the land bank shall become the assets of the foreclosing governmental unit or units that created the land bank. In the event that two or more foreclosing governmental units create a land bank in accordance with section sixteen hundred three of this article, the withdrawal of one or more foreclosing governmental units shall not result in the dissolution of the land bank unless the intergovernmental agreement so provides, and there is no foreclosing governmental unit that desires to continue the existence of the land bank.

§ 1614. Conflicts of interest

No member of the board or employee of a land bank shall acquire any interest, direct or indirect, in real property of the land bank, in any real property to be acquired by the land bank, or in any real property to be acquired from the land bank. No member of the board or employee of a land bank shall have any interest, direct or indirect, in any contract or proposed contract for materials or services to be furnished or used by a land bank. The board may adopt supplemental rules and regulations addressing potential conflicts of interest and ethical guidelines for members of the board and land bank employees.

§ 1615. Construction, intent and scope

The provisions of this article shall be construed liberally to effectuate the legislative intent and the purposes as complete and independent authorization for the performance of each and every act and thing authorized by this article, and all powers granted shall be broadly interpreted to effectuate the intent and purposes and not as a limitation of powers. Except as otherwise expressly set forth in this article, in the exercise of its powers and duties under this article and its powers relating to property held by the land bank, the land bank shall have complete control as fully and completely as if it represented a private property owner and shall not be subject to restrictions imposed by the charter, ordinances, or resolutions of a local unit of government.

§ 1616. Delinquent property tax enforcement

The municipality may enter into a contract to sell some or all of the delinquent tax liens held by it to a land bank, subject to the following conditions:

- (a) The consideration to be paid may be more or less than the face amount of the tax liens sold.
- (b) Property owners shall be given at least thirty days advance notice of such sale in the same form and manner as is provided by subdivision two of section eleven hundred ninety of the real property tax law. Failure to provide such notice or the failure of the addressee to receive the same shall not in any way affect the validity of any sale of a tax lien or tax liens or the validity of the taxes or interest prescribed by law with respect thereto.
- (c) The municipality shall set the terms and conditions of the contract of sale.
- (d) The land bank must thirty days prior to the commencement of any foreclosure action provide to the municipality a list of liens to be foreclosed. The municipality may, at its sole option and discretion, repurchase a lien or liens on the foreclosure list from the land bank. The repurchase price shall be the amount of the lien or liens plus any accrued interest and collection fees incurred by the land bank. The land bank shall provide the foreclosure list to the municipality, along with the applicable repurchase price of each lien, by certified mail, and the municipality shall have thirty days from receipt to notify the land bank of its option to purchase one or more of the liens. If the municipality opts to purchase the lien, it shall provide payment within thirty days of receipt of the repurchase price of said lien or liens. If the municipality shall fail to opt to repurchase the lien or liens the land bank shall have the right to commence a foreclosure action immediately.
- (e) The sale of a tax lien pursuant to this article shall not operate to shorten the otherwise applicable redemption period or change the otherwise applicable interest rate.
- (f) Upon the expiration of the redemption period prescribed by law, the purchaser of a delinquent tax lien, or its successors or assigns, may foreclose the lien as in an action to foreclose a mortgage as provided in section eleven hundred ninety-four of the real property tax law. The procedure in such action shall be the procedure prescribed by article thirteen of the real property actions and proceedings law for the foreclosure of mortgages. At any time following the commencement of an action to foreclose a lien, the amount required to redeem the lien, or the amount received upon sale of a property, shall include reasonable and necessary collection costs, attorneys' fees, legal costs, allowances, and disbursements.
- (g) The provisions of title five of article eleven of the real property tax law shall apply so far as is practicable to a contract for the sale of tax liens pursuant to this article.
- (h) If the court orders a public sale pursuant to section eleven hundred thirty-six of the real property tax law, and the purchaser of the property is the land bank, then the form, substance, and timing of the land bank's payment of the sales price may be according to such agreement as is mutually acceptable to the plaintiff and the land bank. The obligation of the land bank to perform in accordance with such agreement shall be deemed to be in full satisfaction of the tax claim which was the basis for the judgment.

(i) Notwithstanding any other provision of law to the contrary, in the event that no municipality elects to tender a bid at a judicially ordered sale pursuant to the provisions of section eleven hundred thirty-six of the real property tax law, the land bank may tender a bid at such sale in an amount equal to the total amount of all municipal claims and liens which were the basis for the judgment. In the event of such tender by the land bank the property shall be deemed sold to the land bank regardless of any bids by any other third parties. The bid of the land bank shall be paid as to its form, substance, and timing according to such agreement as is mutually acceptable to the plaintiff and the land bank. The obligation of the land bank to perform in accordance with such agreement shall be deemed to be in full satisfaction of the municipal claim which was the basis for the judgment. The land bank, as purchaser at such sale shall take and forever thereafter have, an absolute title to the property sold, free and discharged of all tax and municipal claims, liens, mortgages, charges and estates of whatsoever kind. The deed to the land bank shall be executed, acknowledged and delivered within thirty days of the sale.

§ 1617. Contracts

(a) The land bank may, in its discretion, assign contracts for supervision and coordination to the successful bidder for any subdivision of work for which the land bank receives bids. Any construction, demolition, renovation and reconstruction contract awarded by the land bank shall contain such other terms and conditions as the land bank may deem desirable. The land bank shall not award any construction, demolition, renovation and reconstruction contract greater than ten thousand dollars except to the lowest bidder who, in its opinion, is qualified to perform the work required and who is responsible and reliable. The land bank may, however, reject any or all bids or waive any in-formality in a bid if it believes that the public interest will be promoted thereby. The land bank may reject any bid, if, in its judgment, the business and technical organization, plant, resources, financial standing, or experience of the bidder justifies such rejection in view of the work to be performed.

(b) For the purposes of article fifteen-A of the executive law only, the land bank shall be deemed a state agency as that term is used in such article, and all contracts for procurement, design, construction, services and materials shall be deemed state contracts within the meaning of that term as set forth in such article.
