The home has significant water damage and will require major renovation. This home is in the Home Ownership Choice Program.

Alpheus and Mary Calderon are looking to purchase this home to renovate and resell to an owner-occupant, however they are strongly considering the option of using it as their primary residence once the renovation is complete. Alpheus is an experienced contractor in all aspects of construction. The majority of his experience has been in the NYC area until the couple moved to Jamesville two years ago. Alpheus has been working as a contractor in the Syracuse area since then. He plans to complete the majority of the renovation himself and sub-out as needed.

Based on the Land Bank’s disposition policies, staff recommend sale to Alpheus and Mary Calderon, subject to an enforcement mortgage to be discharged once the proposed renovations are complete and the home is sold to an owner-occupant.

Kristen Jensen plans to purchase this home to renovate with her daughter and re-sell it to an owner-occupant. 3) 125 Wood Ave. – Non-Buildable Vacant Lot

Date Acquired: 9/26/2019
Dimensions: 39’ x 97’

The Land Bank acquired 125 Wood Ave. in September 2019. We demolished a dilapidated single-family house in September 2021 using ARPA funds. The property is within a Resurgent Neighborhoods Initiative (RNI) target area, but can’t be built on as it is only 39’ wide. Housing Visions and HHQ both have plans to build on this block on other, larger lots. Patrona Jones owns and occupies the single family home next door at 123 Wood Ave. She would like to expand her yard and eventually construct a new garage. We are proposing to sell her a 27’ x 98’ (approx.) portion of the lot so as to leave plenty of room for the new garage. The owner of the other adjacent property, Clara Burton of 127 Wood Ave., would also like a portion of the lot to expand her yard, but her property already contains a garage so we are proposing to sell her a 12’ x 98’ portion. Based on the Land Bank’s disposition policies, staff recommends the sale of a 27’ x 98’ portion of 125 Wood Ave. to Patrona Jones and a 12’ x 98’ portion of 125 Wood Ave. to Clara Burton, contingent upon them combining the lot portions with their adjacent properties.

4) 121 Anderson Ave. – Buildable Vacant Lot

Date Acquired: 10/09/2013
Dimensions: 40’ x 125’

The Land Bank acquired 121 Anderson Ave. in late 2013 and demolished a single-family home there in March 2014 using funds from SIDA. Christopher Donai is the owner occupant of the adjacent property at 129 Anderson Ave. He would like to purchase the lot to expand his yard and construct a garage. The lot abuts the backside of a commercial structure that faces South Salina St. and is an undesirable location for new construction. The lot provides a good buffer between Mr. Donai’s property and the commercial uses on South Salina Street. Based on the Land Bank’s disposition policies, staff recommends the sale of 121 Anderson Ave. to Christopher Donai, contingent upon him combining the lot with his adjacent property.

5) 225 Harriette Ave. – Buildable Vacant Lot

Date Acquired: 8/17/17
Dimensions: 50’ x 100’

The Land Bank acquired this vacant lot via tax-foreclosure in 2017. Megan and Michele Bahns own and live in 231 Harriette Ave. They’d like to acquire this lot and build a single-family home on it – so it will need to stay a separate parcel and not combined with their existing home in order for that to be allowed by zoning. Based on the Land Bank’s disposition policies, staff recommends the sale of 225 Harriette Ave. to Megan and Michele Bahns, subject to an enforcement mortgage requiring them to build a house there within 5 years.
