Mr. Hogan noted that all board members were present.

III. Proof of Notice

Mr. Hogan confirmed that public notice of the meeting was properly posted.

IV. Minutes

Michael LaFlair moved to approve the minutes of the December 16, 2025 meeting. Jonathan Link Logan seconded the motion. **ALL BOARD MEMBERS PRESENT VOTED UNANIMOUSLY TO APPROVE THE MINUTES FROM THE DECEMBER 16 MEETING.**

V. Executive Summary & Financial Statements

Ms. Wright noted that the November financial statements presented are in draft form and asked if there were any questions. There were none.

VI. New Business

A. 2025 Annual Report – Presentation

Ms. Wright played a video recently produced by Black Cub Productions meant to educate the public about what the Land Bank does. She then presented slides outlining the Land Bank's 2025 accomplishments. Those slides are available under the Public Reporting section of the Land Bank's website.

B. Elect Officers and Committees

Mr. Hogan read off the current officers and committee members. Oceanna Fair moved to reelect all officers and committee members to their current positions. Michael LaFlair seconded the motion. **ALL BOARD MEMBERS PRESENT VOTED UNANIMOUSLY TO REELECT ALL OFFICERS AND COMMITTEE MEMBERS TO THEIR CURRENT POSITIONS.**

C. Re-adopt Mission Statement, Policies, and Procedures

Jonathan Link Logan moved to readopt the Land Bank's mission statement, policies, and procedures. Mike LaFlair seconded the motion. **ALL BOARD MEMBERS PRESENT VOTED UNANIMOUSLY TO READOPT THE LAND BANK'S MISSION STATEMENT, POLICIES, AND PROCEDURES.**

D. Authorize Sale of Multiple Properties

Ms. Wright summarized the purchase offers received this month. Jonathan Link Logan moved to authorize the Land Bank to sell multiple properties. Mike LaFlair seconded the motion. **ALL BOARD MEMBERS PRESENT VOTED UNANIMOUSLY TO AUTHORIZE THE LAND BANK TO SELL MULTIPLE PROPERTIES.**

E. Waive remaining sales price on 366 W. Onondaga St. in exchange for equal lease credit

Ms. Wright noted that this item had been tabled the previous month. She noted that the Land Bank is under contract to sell this building for \$25,000 and is holding a \$1,000 deposit. They also plan to lease office space in the building once renovations are completed. The buyers are requesting the Land Bank waive the remaining purchase price due at closing in exchange for a rent credit of equal value. Ms. Wright noted that it was a net zero proposition for the land bank, but that they wouldn't realize the value until the building is renovated and they've occupied this space for six months and that the credit is roughly equal to six months rent. Mike LaFlair moved to waive the remaining sales proceeds due on 366 W. Onondaga St. in exchange for a rent credit of equal value. Jonathan Link Logan seconded the motion. **ALL BOARD MEMBERS PRESENT VOTED UNANIMOUSLY TO WAIVE THE REMAINING SALES PROCEEDS DUE ON 366 W. ONONDAGA ST. IN EXCHANGE FOR A RENT CREDIT OF EQUAL VALUE.**

F. Sell 342-48 Furman St. to Darina Brown

Ms. Wright explained that the occupant living here at the time of foreclosure is the heir of the deceased owner and that she should have inherited it, but they were unable to settle her mother's estate prior to the foreclosure. She explained that there was a surplus proceeds claim submitted and that Darina Brown was one of the claimants. Ms. Wright suggested that they let that process play out and sell the home to Ms. Brown for the amount she received in surplus proceeds so that she gets the home instead of a cash settlement. She explained that this would keep the home in their family and be a fair outcome comparable to if the estate had been settled prior to foreclosure. Oceanna Fair moved to sell 342-48 Furman to Darina Brown under the terms described. Jonathan Link Logan seconded the motion. **ALL BOARD MEMBERS PRESENT VOTED UNANIMOUSLY TO SELL 342-48 FURMAN TO DARINA BROWN UNDER THE TERMS DESCRIBED.**

G. Authorize Land Bank to contract for foundation repair at 151 Clyde Ave.

Ms. Wright explained that they are under contract to sell this home to an owner-occupant, but that the buyer discovered extensive foundation issues that weren't included in the Land Bank's scope of work and that are beyond his budget. She walked the board through multiple quotes obtained and sought their approval to hire Woodford Brothers to stabilize the foundation and Wet Basement Solutions to pour a new basement floor and install a sump pump. She noted that they would use LBI funds for this stabilization. Jonathan Link Logan moved to authorize the Land Bank to contract with Woodford Brothers and Wet Basement Solutions for this work. Mike LaFlair seconded the motion. **ALL BOARD MEMBERS PRESENT VOTED UNANIMOUSLY TO AUTHORIZE THE LAND BANK TO CONTRACT WITH WOODFORD BROTHERS AND WET BASEMENT SOLUTIONS FOR THIS WORK.**

H. Renew Contract with Catholic Charities for Relocation Assistance

Ms. Wright explained that she's seeking the board's authorization to renew their contract with Catholic Charities of Onondaga County for relocation services at the same level as the prior year. She noted that often properties occupied at the time of foreclosure are uninhabitable and that under this contract Catholic Charities provides relocation assistance case management and has a pot of funds to draw on to help with first and last months' rent, security deposits, and moving expenses. She also noted that this is a sole source procurement since Catholic Charities is uniquely qualified to provide these services in Syracuse. Jonathan Link Logan asked if this funding level was sufficient and Ms. Wright noted that they would come back mid-year for an increase if needed but that it lasted until mid-December this past year. Jonathan Link Logan moved to authorize the Land Bank to renew their contract with Catholic Charities for relocation assistance. Oceanna Fair seconded the motion. **ALL BOARD MEMBERS PRESENT VOTED UNANIMOUSLY TO AUTHORIZE THE LAND BANK TO RENEW THEIR CONTRACT WITH CATHOLIC CHARITIES FOR RELOCATION ASSISTANCE.**

VII. Adjournment

Oceanna Fair moved to adjourn the meeting. Maurice Brown seconded the motion. **ALL BOARD MEMBERS PRESENT VOTED UNANIMOUSLY TO ADJOURN AT 8:40 AM.**

Executive Summary

February 17, 2026 Board of Directors Agenda

I. Executive Summary & Financial Statements

Draft financial statements through the end of November are attached for your review starting on p. 11.

II. New Business

A. Maria Regina Chapel

Lindsay Allen with Home Leasing will join us via Zoom to talk about their upcoming Low Income Housing Tax Credit project at the Maria Regina campus on the Northside. In the attached diagram on p. 22 you can see the red outline of the “mother house” that they recently had to demolish. Behind that site, the chapel remains. In order to close on the financing for Phase I, they need to transfer ownership of the Phase II property to a friendly entity able to hold it until they can start Phase II and give them site control in the interim. They are proposing to divide off that portion of the property outlined in green and donate it to the Land Bank, for us to hold for up to five years. The plan is that in five years or sooner this property will be incorporated into Phase II of the project, which will involve the construction of additional affordable rental units.

Phase 1 of the project involves the creation of 186 units of affordable rental housing in the existing Franciscan Academy, Convent School and Library, and Sisters and Novitiate Wings buildings. Phase 2 would contain a new residential building on the former Motherhouse site that connects to the existing chapel, the latter of which would contain the residential community amenities and services. Phase 1 is expected to close on bond financing with NYS Housing Finance Agency in March 2026 and finish construction by October 2028. Phase 2 is expected to close on 9% tax credit financing with NYS Homes & Community Renewal in 2029 (or earlier) and finish construction in 2031 (or earlier).

They would donate the parcel to the Land Bank and simultaneously we would sign a sales contract with them giving them site control needed to apply for financing for Phase II. Any costs we incur while holding the property will be passed along to the buyers (a partnership between [Home Leasing](#) and [Pennrose](#).)

We are proposing the following contract terms:

- **Purchase price:** We will estimate the cost of moderate stabilization and carrying the building for five years and set the purchase price equal to this total. We’ll estimate this on the high end just to be safe. Should they close sooner and the Land Bank not incur the full amount of estimated carrying and stabilization costs, we will credit that back to the Buyer at closing.
- **Deposit:** The anticipated year-one costs will be the deposit amount and the Land Bank will be allowed to draw on this deposit over the course of year one for expenses related to the Property.
- **Term:** The contract term will be one-year with the option to renew in one-year increments up to a total of five years. At each renewal, additional deposit will be due to cover the anticipated carrying costs for the coming year and “true up” to our actual expenses incurred over the previous year.

- Security: Pennrose and Home Leasing will be constructing and then managing housing next door and will be on site daily. They will conduct daily inspections and alert the Land Bank if the property has been broken into and needs boarding. We may also install a security system in the building.
- Insurance: The Land Bank will carry liability insurance and property insurance sufficient to cover the cost of demolition should catastrophic damage to the building require demolition (although we do not expect this will be necessary). These premiums will be reimbursable expenses under the contract.

B. Authorize Sale of Multiple Properties

See p. 27 of your packet for more information.

C. Amend 2026-2029 budget

See p. 29 of your packet for the proposed budget modification. When we amended our 2025 budget in October 2025 to minimize any year end budget-to-actual variances we reduced our 2025 salary budget. I didn't realize at the time that this carried the reduction forward over the next four years. I am seeking to restore the salary line for 2026 – 2029 to the level it was prior to this October 2025 reduction.

D. Procure demolition of 318 Stuart

The City has hired Crisafulli to knock down the house next door. We own this adjacent demolition candidate. They've quoted us a very competitive price to take ours down while they're there. We'd like to hire them to demolish 318 Stuart for \$18,250.

E. Acquire Certain Properties from the City of Syracuse

532 Court St. is a problem property that Councilor Nave has asked the City to expedite foreclosure on.

F. Stabilization at 506 Wolf and 115 Maurice

These are both occupied properties that we plan to sell to the tenants who lived in them at the time of foreclosure.

506 Wolf will start with all exterior – new roof, siding, porch rebuild, windows/doors and a new high efficiency furnace and water heater because we plan to demolish the chimney when we do the roof. Once this is complete, we'll put interior work out to bid.

115 Maurice will also get a new roof, windows/doors, siding, and a furnace and water heater.

	506 Wolf	115 Maurice
Bellavia Home Remodeling	\$70,300	\$65,700
Onondaga Builders	\$110,545	\$77,546

We're seeking the board's authorization to hire the lowest bidder to complete these renovations. This work will be funded by our LBI grant.

B. MOVE IN NY Application

We have begun cutting trees from these sites since any major tree cutting needs to take place between Nov 1 and March 31. We are working with HCR to select manufacturers for these 52 sites and my goal is to finish all 52 in 12 months once we break ground. Still determining exactly which AMIs will be served. All will be 3-bedroom, 2-bath, single-story homes and we think they'll appeal particularly to disabled buyers and seniors looking to age in place. We're also working to start targeted outreach to SHA to create a pipeline of buyers who can use their section 8 vouchers toward a mortgage instead of rent. Most of these homes will have a detached one-car garage, except where topography prohibits this. While a certain percent need to be ADA accessible, we are working to ensure that all the models have 36" exterior doors and 36" doors to common areas like laundry and mudrooms and the primary bedroom and bathroom so they can be easily retrofitted in the future if necessary. I'm cautiously optimistic that we can break ground in the spring/early summer. We are scheduled to close today (2/17) on the sale of our pilot house, 139 Maxwell!

C. Near Westside new construction with Jubilee

We've been working for over a year to refine our plans for 25 single-family home and 10 two-family homes on the Near Westside to be co-developed with Jubilee Homes. Redev CNY is planning to use some of the same manufactured house plans on Ostrander on lots they're buying from us and we recently approached them about combining our efforts and buying power to achieve some economies of scale. We're finally getting close to cracking this budget puzzle and getting our applications in to HCR. At this point I would anticipate a spring 2027 groundbreaking. Once we get the numbers to work on this project we'll use the same house models on the land we're partnering with Tucker Missionary Baptist Church on at Oakwood, Leon, and Kennedy Streets.

D. W Brighton Community Engagement

We held a community meeting at Beauchamp Library on the evening of January 29 and had about 15 people show up. We showed them a few options of what we could fit on the 100 block of W. Brighton and what was allowed in this residential zoning district (see p. 37). There was a lot of interest in owner-occupancy, but I am cognizant of the fact that Brighton is a busier street and we so rarely get sites zoned for multi-family housing. We'll continue to do additional outreach to the immediate neighbors and seek to reach younger households, as well, before coming up with a plan for this site.

E. State Street Rowhouses

We have been discussing our site at State and Burt with Blueprint 15 and the Allyn Foundation. See map on p. 43. We've already purchased 1228 S State St and should close soon on the purchase of 1216 and 1218-20. We think it's important to offer owner-occupied housing options in the East Adams footprint since so much rental will be developed by SHA. And on this block we need something with more density than detached single-family homes. With 400' of street frontage, we think we can develop 16 rowhouses for sale to owner-occupants, in three clusters, with an alley and parking behind the homes, on S. State St. just south of Burt. We may also incorporate more south of Brotherly Love COGIC, but probably in a future phase. We're exploring co-developing this project with Blueprint 15 and sources of subsidy available to make it possible.

106 Giminski Dr. is a large two-family home in the Lakefront neighborhood. Each unit has three bedrooms, one bathroom, living room, and eat-in kitchen. The property has a driveway and double-lot. This home has major foundation issues and will require major renovation.

Lashonda Renee Sullivan and Nadonte Jones intend to purchase this home together for Lashonda to occupy one unit as her primary residence. Lashonda has been a long-term tenant of Nadonte's, is a first-time home buyer, and a full-time employee with Onondaga County, qualifying her for the Public Employee Discount program. Nadonte is an experienced investor who has purchased from the Land Bank before and has completed high-quality whole-house renovations.

Based on the Land Bank's disposition policies, staff recommend sale to Lashonda Renee Sullivan and Nadonte Jones, subject to a Development Enforcement Mortgage to be discharged once the proposed renovations are complete and a Residency Enforcement Mortgage requiring the home remain owner-occupied for five years.

Date Acquired: 04/27/2016

Dimensions: 33' x 132'

The Land Bank acquired 310 Putnam St in 2016. We demolished a two-family house here in November 2025 using LBI funds. The lot is only 33' wide and non-conforming for the R5 zoning district. Jeffrey Jones Sr. is the Trustee of Legacy Irrevocable Asset Management Trust. The trust owns the two-family investment property at 312 Putnam St. He would like to purchase the lot and fence in the property for additional yard space. It was offered to both neighbors and only one responded.

Based on the Land Bank's disposition policies, staff recommends the sale of 310 Putnam St. to The Legacy Irrevocable Asset Management Trust, contingent upon them combining the lot with their adjacent property.
